

LIST OF ACADEMIC PROGRAMS

UNIVERSE SCIENCES

Astronomy (**UNAM**)

Electrical Engineering with option in telecommunications or automatic control (**CINVESTAV-Guadalajara**)

Electronics and telecommunications focusing on instrumentation and control, telecommunications and high frequencies (**CICESE**)

Optics (**CIO**)

Optics focusing on physical optics and optoelectronics (**CICESE**)

Sciences with specialization in optics, astrophysics, electronics and computer sciences (**INAOE**)

Space Analysis and Geo-informatics (**UAEMEX**)

NATURE SCIENCES

AGRICULTURAL AND LIVESTOCK SCIENCES

Agricultural and livestock development (**UCOL**)

Agricultural and livestock sciences (**UAM- XOC/UADY**)

Agricultural and livestock sciences and natural resources (**UAEMEX/UADY**)

Agricultural and natural resource economics sciences (**CHAPINGO**)

Agricultural economics (**CHAPINGO**)

Agricultural engineering and integrated use of water (**CHAPINGO**)

Agricultural higher education (**CHAPINGO**)

Agricultural parasitology: entomology-acarology and plant pathology-nematology (**UAAAN**)

Agricultural sciences (**CHAPINGO**)

Agricultural sciences with specialization in agricultural processes optimization (**UAZ**)

Agricultural sciences: Animal reproduction and agricultural and livestock production (**UAAAN**)

Agro-alimentary production in the tropic, strategies for regional agricultural development, socioeconomics, statistics and informatics, population, environment and rural development; community health and development, productive rural development (**ECOSUR**)

Agro-alimentary science and technology (**CHAPINGO**)

Agrobusinesses (**UACH/UDG**)

Agroecology and plagues management, tropical entomology (**ECOSUR**)

Agroforestry for sustainable development (**CHAPINGO**)

Agroindustries (**COLPOS**)

Agronomic sciences applied to the tropic (**COLPOS**)

Agroplasticulture (**CIQA**)

Animal parasitology (**UAEM**)

Animal production (**UADY/CHAPINGO**)
 Animal production and health sciences (**UNAM**)
 Animal production in arid zones (**UAZ**)
 Animal production sciences (**UACH**)
 Applied statistics (**UAAAN**)
 Economic and agro-industrial problems (**CHAPINGO**)
 Economic and agro-industrial problems (**CHAPINGO**)
 Edaphology (**COLPOS**)
 Educational processes (**CHAPINGO**)
 Educational processes of agronomy (**CHAPINGO**)
 Environment and integrated development (**IPN**)
 Food companies planning and regional and business development (**ITMERIDA**)
 Forest genetics (**UV**)
 Forest sciences (**CHAPINGO/UANL**)
 Forestry, plant health, genetic resources and productivity (**COLPOS**)
 Garden-produce plant protection (**UGTO**)
 Grain and seed technology (**UAAAN**)
 Health and plant health measures, agrobusinesses, agroalimentary safety and quality, forest conservation and sustainable forest management (**COLPOS**)
 Horticulture sciences (**CHAPINGO**)
 Horticulture: horticultural production, biology and horticultural genetics (**UAAAN**)
 Interinstitutional in livestock sciences (**UAZ**)
 Livestock innovation (**CHAPINGO**)
 Management of territorial development (**COLPOS**)
 Plant improvement (**UAAAN**)
 Plant protection (**CHAPINGO**)
 Production systems engineering, integrated water, land and energy management: a) Cultivation and environment, b) Forest resources (**UAAAN**)
 Professional consultancy for agribusinesses (**CHAPINGO**)
 Professional guidance for agrobusinesses (**CHAPINGO**)
 Provision of professional services, wildlife management and administration (**COLPOS**)
 Regional rural development (**CHAPINGO**)
 Rural productive development (**ECOSUR**)
 Sciences in animal production systems (**UABC**)
 Sustainable agricultural production (**IPN**)
 Sustainable agriculture (**CIBNOR**)
 Training for rural development, sustainable development in indigenous areas, social development management (**COLPOS**)
 Tropical agriculture (**COLPOS**)
 Tropical agroecosystems (**COLPOS**)
 Veterinary medicine (**UANL**)

Zootechnics: Administration and regulation, pasture management, nutrition-reproduction, plant systematics (**UAAAN**)

HYDROLOGY AND OCEANOGRAPHY SCIENCES

Agricultural engineering and integrated water use (**CHAPINGO**)

Aquaculture (**CIAD/CIBNOR**)

Aquaculture and marine biotechnology and microbiology (**CICESE**)

Ecology and fisheries (**UV**)

Fisheries (**CIBNOR**)

Fisheries oceanography (**CIBNOR**)

Hydrosciences (**COLPOS**)

Marine biology (**CIBNOR**)

Marine biology (**Merida Campus-IPN**)

Marine ecology (**CICESE/UMAR**)

Marine resource management (**IPN**)

Marine sciences (**IPN**)

Marine sciences and limnology (**UNAM**)

Marine sciences and oceanography sciences (**UCOL**)

Physical oceanography (**CICESE**)

Production systems engineering: management and exploitation of water, soil and energy (**UAAAN**)

Sciences in coastal oceanography (**UABC**)

Subterranean hydrological engineering (**UACH**)

FOODS

Chemical-biological and physical-chemical sciences of food (**UASLP**)

Food biotechnology and sciences: enzymatic and microbial biotechnology (**ITMERIDA**)

Food culture and associated risks (**CIAD**)

Food microbiology and safety (**UDG**)

Food sciences (**UADY/UV/UDLA**)

Food sciences: exploitation and transformation of agricultural and marine products and subproducts (**ITTUX**)

Food technology for organisms (**UANL**)

Food technology sciences (**UACH/CIAD/UAQ**)

Foods (**UANL/IPN**)

Industrial microbiology (**UANL**)

Nutrition (**UANL/CIAD**)

Studies of the food system (**CIAD**)

Toxicology (**CIAD/IPN**)

BIOLOGY

Agricultural biotechnology (**CHAPINGO**)

Biochemical sciences (**UNAM**)

Biochemistry (**CIAD/IPN**)

Bioethics (**IPN**)

Biological sciences (**UNAM**)

Biology (**IPN/UAM-IZT/UGTO**)
Biophysics (**UAEM**)
Biopolymers (**CIAD**)
Bioprocesses (**IPN**)
Biotechnological processes (**UDG**)
Biotechnological sciences (**UACH**)
Biotechnology (**CIAD/CIBNOR/UAEM/ITESO/ UANL/UAM-IZT**)
Botany (**COLPOS**)
Cellular biology (**IPN**)
Development of biotic products (**IPN**)
Experimental biology (**UMSNH/UAZ/UAM/IZT**)
Genetics and molecular biology (**IPN**)
Genomic biotechnology (**IPN**)
Microbiological sciences (**BUAP**)
Microbiology (**CIAD/UANL**)
Molecular and cellular biology (**UAEM**)
Molecular biology and genetic engineering (**UANL**)
Molecular Biotechnology (**IPN**)
Plant biosciences and biotechnology (**CICY**)
Plant biotechnology (**CINVESTAV-Irapuato**)
Plant biotechnology and toxicology (**UAA**)
Plant improvement, phytopathology, biostatistics, genetic resources, industrial and nutritional quality of maize and wheat, agricultural economics, impact assessment, conservation agriculture, geographical information systems and maize and wheat biotechnology (**CIMMYT**)

CHEMISTRY

Biological chemistry (**IPN**)
Chemical and biochemical sciences (**UAY**)
Chemical engineering (**IPN/BUAP/UDG/UIA/UMSNH/UAM-IZT/UASLP**)
Chemical engineering: Process Integration (**UGTO**)
Chemical sciences (**UNAM/IPN/BUAP/UCOL**)
Chemistry (**UAM- IZT/UGTO/UASLP/UAEH/UAEM**)
Polymer technology (**CIQA**)
Transformation processes in plastics (**CIQA**)

GEOSCIENCES

Applied Geology (**UASLP**)
Earth Sciences (**UNAM**)
Earth Sciences focusing on Applied Geophysics, Geology, Seismology, and Environmental Geosciences (**CICESE**)
Geomatics (**CENTROGEO**)
Geomatics, Seismology, Vulcanology and Geophysics (**UCOL**)
Geosciences and Administration of Natural Resources (**IPN**)
Geotechnics (**BUAP**)

ENVIRONMENT

Advanced technology (**IPN**)

Arid zones ecology (**CIBNOR**)

Biodiversity conservation, environmental biotechnology (**ECOSUR**)

Biosystematics focusing on: a) ecology, natural and agricultural resources management b) Ecology and coastal and marine resources management (**UDG**)

Biotic resources (**UQROO**)

Conservation and exploitation of natural resources (**IPN**)

Ecology (**IPN**)

Ecology, natural resource management, conservation, biodiversity and systematics (**INECOL**)

Engineering in management and exploitation of water, soil and energy, crops and the environment, forest resources (**UAAAN**)

Environment, management and sustainability (**UCOL**)

Environmental engineering (**BUAP/UAM-AZ/IPN**)

Environmental engineering, hydraulics, integrated water management (**IMTA**)

Environmental engineering: liquid waste treatment, gas waste treatment, solid waste handling and disposal, cleaner technologies and soil remediation (**ITTOLUCA**)

Environmental management (**CIAD**)

Environmental management (**IPN**)

Environmental science and technology (**CIMAV**)

Environmental sciences (**UAEMEX/BUAP/UASLP/UMAR**)

Environmental sciences (**UCOL**)

Environmental sciences and engineering (**UAM**)

Environmental sciences with specialization in environmental chemistry and environmental engineering (**UDG**)

Integrated environmental management (**CICESE/COLEF**)

Land and production systems (**COLEF**)

Land ordinance (**BUAP**)

Management and exploitation of water, soil, and energy, crops and the environment, forest resources (**UAAAN**)

Manufacturing systems: refinement of manufacturing processes, waste elimination (**ITCH**)

Marine and coastal ecosystems (**UV**)

Natural resources and the environment in arid zones (**CHAPINGO**)

Natural resources and the environment, cleaner production, policy and management of technological change (**IPN**)

Natural resources and the environment, cleaner production, policy and management of technological change, advanced technology (**IPN**)

Natural resources management (**UDG**)

Renewable energy (**UCOL/CICY**)

Sciences in arid zone ecosystems (**UABC**)

Water and environmental resources (**UAQ**)

Wildlife management and sustainable development (**UANL**)

HEALTH SCIENCES

NURSING

- Nursing (**UNAM/UQROO**)
- Nursing administration (**UASLP**)
- Nursing focusing on community healthcare and nursing services (**UAEMEX**)
- Nursing sciences (**BUAP/UGTO/UAQ**)

PHARMACOLOGY

- Allergy and clinical immunology (**SSALUD**)
- Allergy and pediatric immunology (**SSALUD**)
- Angiology and vascular surgery (**SSALUD**)
- Biology of human reproduction (**SSALUD**)
- Cardiology (**SSALUD**)
- Cardiothoracic surgery (**SSALUD**)
- Child and adolescent psychiatry (**SSALUD**)
- Clinical nutriology (**SSALUD**)
- Clinical research (**UGTO/PN/UASLP**)
- Coloproctology (**SSALUD**)
- Communication, audiology and phoniatriy (**SSALUD**)
- Critical care medicine (**SSALUD**)
- Cytopathology (**SSALUD**)
- Endovascular neurological therapy (**SSALUD**)
- Epidemiology (**SSALUD**)
- Geriatrics (**SSALUD**)
- Gynecological urology (**SSALUD**)
- Hematology (**SSALUD**)
- Infectology (**SSALUD**)
- Maternofetal medicine (**SSALUD**)
- Medical genetics (**SSALUD**)
- Medical oncology (**SSALUD**)
- Medical physics (**UAEMEX**)
- Medical psychotherapy (**SSALUD**)
- Pharmaceutical sciences (**UAM/XOCH**)
- Pharmacology (**IPN/UAZ/UCOL**)
- Pharmacology and toxicology (**UANL**)
- Pharmacy (**UAEM/IPN/UQROO**)

MEDICINE

- Molecular biomedicine (**IPN**)
- Neonatology (**SSALUD**)
- Nephrology (**SSALUD**)
- Neurology (**SSALUD**)
- Neuropathology (**SSALUD**)
- Neuroradiology (**SSALUD**)

Neurotology (**SSALUD**)
Oncological surgery (**SSALUD**)
Pathological anatomy (**SSALUD**)
Pediatric anesthesiology (**SSALUD**)
Pediatric cardiology (**SSALUD**)
Pediatric cardiothoracic surgery (**SSALUD**)
Pediatric critical care medicine (**SSALUD**)
Pediatric dermatology (**SSALUD**)
Pediatric endocrinology (**SSALUD**)
Pediatric gastroenterology and nutrition (**SSALUD**)
Pediatric hematology (**SSALUD**)
Pediatric nephrology (**SSALUD**)
Pediatric neurology (**SSALUD**)
Pediatric neurosurgery (**SSALUD**)
Pediatric oncology (**SSALUD**)
Pediatric otorhinolaryngology (**SSALUD**)
Pediatric pathology (**SSALUD**)
Pediatric pneumology (**SSALUD**)
Pediatric rheumatology (**SSALUD**)
Pediatric surgery (**SSALUD**)
Pharmaceutical medicine (**IPN**)
Physical activity and sports medicine (**SSALUD**)
Physiology (**UCOL**)
Pneumology (**SSALUD**)
Radio-oncology (**SSALUD**)
Rheumatology (**SSALUD**)
Urology (**SSALUD**)

PSYCHOLOGY

Behavior Analysis (**UDG**)
Clinical psychology (**UAEMEX**)
Family Intervention (**UAEMEX**)
Human Development (**UIA**)
Psychological Orientation (**UIA**)
Psychology (**UNAM/UAEM**)
Psychology with options in psychoanalytic studies, special education, education guidance and child clinical psychology (**UASLP**)
Psychology with terminal areas in psychotherapy, work and organizational psychology, community psychology, educational psychology and neuropsychology (**UAEM**)
Psycoanalysis studies (**UCSJ**)
Social psychology (**BUAP**)
Social psychology of groups and institutions (**UAM- XOCH**)

PUBLIC HEALTH

Biological & health sciences (**UMSNH**)
Environmental health (**UDG**)

Health and biomedical sciences (**EAEH**)
Health information systems (**INSP**)
Health sciences (**UAY**)
Health sciences: public health, epidemiology, human nutrition and medical bioethics (**UAEMEX**)
Healthcare services administration (**BUAP**)
Healthcare services management (**UDG**)
Neuropsychological diagnosis and rehabilitation, nutrition, vector-transmitted diseases, epidemiology (**INSP**)
Population and health (**UAM- XOCH**)
Public health (**UDG/ INSP**)
Public health sciences (**UDG**)
Public health, healthcare administration, epidemiology, environmental health, biostatistics, social and behavioral sciences (**INSP**)
Reproductive Health, environmental health, biostatistics, clinical epidemiology (**INSP**)
Sciences in worker health (**UAM- XOCH**)
Social medicine (**UAM- XOCH**)
Sports sciences: peak performance, child and adolescent physical education, physical education for the elderly Work Health, safety and hygiene (**IPN**)

SOCIAL WORK

Social work (**UNAM**)

BASIC AND ENGINEERING SCIENCES

PHYSICS

Applied physics (**BUAP/CINVESTAV-MÉRIDA**)
Applied sciences (**UASLP**)
Materials physics (**IPN/CICESE**)
Mathematical physics (**CIO**)
Particle physics and nonlinear physics (**UCOL**)
Physical sciences (**UNAM**)
Physics (**BUAP/IPN/UAEM/UAM- IZT/UASLP/UMSNH/UAEM**)
Theoretical physics (**IPN**)

ENGINEERING

Aeronautical engineering with option in maintenance and production (**IPN**)
Automatic control (**IPN**)
Automation and control engineering sciences (**ITESM**)
Automation and control sciences (**UAEH**)
Biochemical engineering (**ITC**)
Biomedical engineering (**UAM- IZT**)
Chemical engineering (**ITC**)
Civil engineering (**IPN**)

Communications and electronics **(IPN)**
 Construction economics **(UGTO)**
 Construction projects and management **(UDLA)**
 Electrical engineering **(UASLP/UANL/UMSNH)**
 Electrical engineering with option in bioelectronics **(IPN)**
 Electrical engineering with option in communications **(IPN)**
 Electrical Engineering with option in mechatronics **(IPN)**
 Electrical engineering with option in solid-state electronics **(IPN)**
 Electrical engineering with option in telecommunications, automatic control **(CINVESTAV-Guadalajara)**
 Electronic engineering **(IPN/UASLP/ITC)**
 Electronic engineering: generation, transmission, distribution, the Use of Electric Power, mechanical systems, geothermics, alternative power systems and other related subfields, as well as instrumentation and control systems, control, communications, informatics, measurement, process supervision and other subfields relating to the processes of the electric energy industry **(IIE)**
 Electronic Engineering: instrumentation and digital systems **(UGTO)**
 Electronic sciences **(BUAP)**
 Electronics and telecommunications focusing on instrumentation and control, telecommunications and high frequencies **(CICESE)**
 Energy systems engineering **(IPN)**
 Engineering **(UNAM/UADY/UAZ)**
 Engineering and applied sciences **(UAEM)**
 Engineering in structures, mechanics and transport **(UAEMEX)**
 Engineering in water sciences **(UAEMEX)**
 Engineering, specializing in construction administration **(UIA)**
 Highway engineering **(UACH)**
 Hydraulic engineering **(IMTA)**
 Hydraulics **(IPN)**
 Hydro systems **(UASLP)**
 Industrial engineering **(UAEH/IPN)**
 Instrumentation and control **(IPN)**
 Manufacturing engineering **(IPN/UDLA)**
 Manufacturing systems **(ITESM)**
 Materials **(CINVESTAV-Querétaro)**
 Materials and metallurgy **(UMSNH/IPN)**
 Materials engineering **(UAM-AZ)**
 Materials science and engineering **(UNAM/UAM)**
 Materials sciences **(CIMA/BUAP/IPN/UAEMEX/UCOL)**
 Materials sciences **(UAEH)**
 Mechanical Engineering **(IPN/UASLP/UGTO/ITC)**
 Mechanical engineering with options in mechanical project **(IPN)**
 Mechanical engineering with specialty in materials **(UANL)**
 Mechatronics **(UAQ)**
 Metallurgical and ceramic engineering **(CINVESTAV-Salttillo)**
 Metallurgy and mineral and materials engineering **(UASLP)**

Microelectronic engineering (**IPN**)
Polymer materials (**CICY**)
Processes and materials (**UAZ**)
Public ground transport engineering (**IPN**)
Semiconductor devices (**BUAP**)
Structural engineering (**UAM- AZ**)
Structural engineering, construction, valuation, conservation of cultural heritage buildings (**BUAP**)
Technological development engineering (**UDG**)
Telecommunications engineering (**IPN**)
Telecommunications engineering, instrumentation and control (**IPN**)
Textile engineering (**IPN**)
Traffic and transport engineering (**BUAP**)

INFORMATICS

Administration in information technology services (**UIA**)
Artificial intelligence (**UV**)
Computational modulation and scientific computing (**UAEM**)
Computer and engineering sciences (**UNAM**)
Computer engineering (**UASLP**)
Computer engineering with specialty in digital systems (**IPN**)
Computer sciences (**BUAP/UDLA/IPN/UAM-AZ**)
Computer sciences (**ITESM/ UAEM**)
Computer sciences and industrial mathematics (**CIMAT**)
Computer technology (**IPN**)
Computing (**CICESE/IPN/UCOL**)
Cybernetics (**ULSA**)
Digital systems (**IPN**)
Informatics (**UAEMEX/IPN**)
Informatics security and information technologies (**IPN**)
Information sciences and technologies (**UAM- IZT**)
Information technologies (**UQROO**)
Intelligent computing: computing in parallel and distributed systems (**TECTIJUANA**)
Intelligent systems and information management, scientific computing and systems organization, signal processing and pattern recognition (**UAM**)
Network engineering (**UQROO**)
Systems engineering (**IPN/UANL**)

MATHEMATICS

Applied and industrial mathematics (**UAM- IZT**)
Applied mathematics (**CIMAT**)
Applied mathematics: terminal line in mathematical engineering (**UQROO**)
Basic mathematics (**CIMAT**)
Computer mathematics (**IPN**)

Mathematical models in biology, differential geometry, harmonic analysis
(**UCOL**)
Mathematical sciences and specialization in applied statistics (**UNAM**)
Mathematics (**BUAP/IPN/UMSNH/UAM-IZT/UAZ/ UAEM**)
Probability and statistics (**CIMAT**)
Statistics (**UADY**)

HUMAN SCIENCES

Scenic arts

Contemporary dance in the Graham technique (**CENADAC**)
Music (**UNAM/UV**)
Music sciences (**UDG**)

Visual Arts

Cinematography studies (**UDG**)
Painting, sculpture, and printmaking (**ENPEG**)
Visual arts (**UNAM**)

Art Studies

Aesthetics and art (**BUAP**)
Art and literature (**UAEM**)
Art studies (**UIA**)
Arts (**UAEM**)
History of art (**UAEM/UNAM**)
History of Mexican art (**UASLP**)
Viceregal culture (**USCJ**)

Philosophy

Studies in philosophy (**UDG**)
Philosophy (**UIA/UGTO/UNAM/UV**)
Contemporary philosophy (**UAEM**)
Philosophy of science (**UNAM**)
Philosophy and history of ideas (**UAZ**)
Political philosophy (**UAM- IZT**)
History and philosophy of science (**UAM- IZT**)
Methodology of science (**IPN**)

Arts

Arts (**UNAM**)
Compared literature (**UDG**)
Literary theory (**UAM- IZT**)
Mexican literature (**BUAP/UV/UDG**)
Modern literature (**UIA**)
Spanish-American literature (**UCOL**)
Studies on New Spain (**UAZ**)

Twentieth-century Mexican literature (**UAM- AZ**)
Twentieth-century Mexican Literature (**UAM**)

Architecture

Architecture (**UAEM/UNAM/IPN/UCOL/UAU/UADY/UGTO/ UMSNH**)
Architecture, design and urbanism (**UAEM**)
Project administration and management (**UASLP**)

Design

Architectural design (**BUAP**)
Design (**UAEMEX/UAM- AZ**)
Design and development of new products (**UDG**)
Design and editorial production (**UAM**)
Design and innovation (**UQROO**)
Industrial design (**UNAM/UASLP**)
Strategic design and innovation (**UIA**)

Museography and Restoration

Conservation, restoration and museography (**ENCRyM**)
Internship in monument restoration works (**IPN**)
Photography conservation and restoration (**ENCRyM**)
Real cultural property conservation and restoration (**ENCRyM**)

Urbanism

Habitat sciences: architecture, graphic design, urban studies, new technologies, bioclimatic and landscape architecture, restoration and conservation (**UAM- AZ**)
Metropolitan planning and policies (**UAM- AZ**)
Processes and graphic expression in urban architectural projection (**UDG**)
Projects for urban development (**UIA**)
Urban and regional development (**COLEF**)
Urban studies (**COLMEX**)
Urbanism (**UNAM**)
Urbanism and development (**UDG**)

SOCIAL SCIENCES

Anthropology

Anthropological sciences (**UADY/UAM- IZT**)
Anthropology (**UNAM**)
Applied anthropology (**UQROO**)
Cultural anthropology and political anthropology (**UAM**)
Ethnohistory (**CIESAS**)
Physical anthropology (**ENAH**)
Social anthropology (**COLSAN/ENAH/UIA/CIESAS/COLMICH/UAEMEX**)

Archaeology

Archaeological studies and archaeology (**ENAH/ COLMICH**)

Library Science

Library science and information studies (**UNAM**)

Cultural Management

Cultural policies and cultural management (**UAM**)

Cultural studies (**COLEF**)

Cultural theories and creation (**UDLA**)

Geography

Demography (**COLEF**)

Geography (**UNAM/UQROO**)

Human geography (**COLMICH**)

History

Historiography (**UAM- AZ**)

Historiography: theory of history, political history, urban history (**UAM**)

History

(**BUAP/UIA/CIESAS/UNAM/COLMICH/UMSNH/COLMEX/COLSAN**)

History and ethnohistory (**ENAH**)

History and regional studies (**UV**)

History of Mexico (**UDG**)

Modern and contemporary history, regional studies and political sociology (**IMORA**)

Social and cultural history (**UAEM**)

Linguistics

Applied linguistics (**UAEMEX**)

Formal linguistics (**UAM- IZT**)

Indo-American linguistics (**CIESAS**)

Language sciences (**ENAH/BUAP**)

Linguistics (**UNAM**)

Public Administration and Political Science

Administration and public policies (**UAEMEX/CIDE**)

Decision analysis (**UAEMEX**)

Economics and public administration (**UQROO**)

Government and public affairs (**FLACSO**)

International affairs (**UMAR**)

Local government and management (**UAEH**)

Mexico: institutions, civil society and public policies, population, culture and society (**CMQ**)

Political science (**UAZ/FLACSO/UNAM**)

Political science and public administration (**UCOL**)

Public administration (**IPN**)

Public policies (**UIA/COLEF**)
Regional administration and management (**UDG**)

Social Sciences

Asian and African studies (**COLMEX**)
Gender studies (**COLMEX/UAM- XOC**)
International cooperation for development (**IMORA**)
Latin American studies (**UNAM**)
Mesoamerican studies (**UNAM**)
Metropolitan planning and policies: socio-spatial dynamics, urban economics and structure, government, public policies and civil society, urban practices, habitat and population (**UAM**)
Peace and development studies (**UAEMEX**)
Population and development (**UAZ/FLACSO**)
Population studies (**COLEF**)
Regional analysis with specialties in: sociopolitical analysis, regional and urban development, population and development, environment (**UATX**)
Regional studies (**COLJA**)
Rural sociology (**CHAPINGO**)
Social management and development (**UDG**)
Social sciences (**UNAM/UAZ/UCOL/BUAP/COLJA/FLACSO/CIESAS/ COLSAN/ UAEM/ UDG**)
Social sciences applied to regional studies (**UQROO**)
Social sciences with specialty in municipal development: state, communities and civil society, public policies, population, environment and territory (**CMQ**)
Social sciences with specialty in political sciences and sociology (**FLACSO**)
Social sciences with specialty in rural studies (**COLMICH**)
Socio-cultural studies, international migration (**COLEF**)
Sociology (**BUAP**)
Sociology: society and territory, theory of sociological thinking, society and new technologies (**UAM- AZ**)
Urban and regional studies (**UAEMEX**)

Communication

Communication (**UIA**)
Communication sciences (**ITESM**)

Law

Amparo law (**UDG**)
Corporate law (**ITESM**)
Human rights (**UIA**)
Law (**UAEM/UDG/UNAM/ITAM**)
Law and globalization (**UAEM**)
Law: alternative dispute resolution methods, constitutional law, fiscal law, fiscal protection, criminology (**UANL**)

Economics

Applied economics (**COLEF/ UAEM**)
Economic sciences (**IPN/UABC**)
Economics (**BUAP/CIDE/COLMEX/UNAM/UDLAP/UDG/ITAM**)
Financial economics (**UAEMEX**)
History of economics (**UAM- AZ**)
Tax analysis (**UDG**)

Education

Education administration and development (**IPN**)
Education sciences (**UAEH/UAZ**)
Education sciences (**UABC**)
Education communication and technologies, values for action in education (**ILCE**)
Teaching (**UADY/ UAEH**)
Teaching for middle-to-higher education (**UNAM**)
Higher-education teaching (**UAZ/UQROO**)
Education (**UAEM**)
Education, human development and social well-being (**CIAD**)
English language didactics/ teaching technology (**UAQROO**)
Education in sciences (**BUAP**)
Special education (**UAEM**)
Education, globalization and development (**CMQ**)
Humanistic education (**UIA**)
Education in mathematics and natural sciences (**UPN**)
Higher education (**BUAP/UAEMEX**)
Spanish language for foreign basic-education teachers working in multilingual contexts (**UPN**)
Teacher training and institutional practices (**UPN**)
Education institution management (**IPN**)
Higher-education management and policies (**UDG**)
Cultural management and development (**UDG**)
Research in education (**UGTO/UAA/UADY/IPN**)
Research and development in education (**UIA**)
Educational mathematics (**IPN**)
Vocational guidance (**UANL**)
Pedagogy (**UCOL/UNAM**)
Education policy, institutional processes and management, diversity and interculturality, learning and teaching in sciences, humanities and the arts, education policies (**UPN**)
Sociology of higher education (**UAM- AZ**)
Pedagogical theory and teaching training (**UPN**)
Learning technologies (**UDG**)
Pedagogical theory, hermeneutics and multiculturalism (**UPN**)

Tourism

Hotel management (**UQROO**)

Tourism (**UQROO**)

Business Engineering

Administration sciences (**IPN**)

Administration sciences (**UNAM**)

Administration, planning and economics of hydrocarbons (**IPN**)

Administration: international businesses, finances, international accounting, costs and budgets, taxes and fiscal studies, auditing, information technologies, public administration (**UANL**)

Business administration (**IPN/ UDG**)

Business and economic studies (**UDG**)

Business economics (**ITESM**)

Business engineering (**UQROO**)

Business finances (**UDG**)

Business systems engineering (**UIA**)

Corporate planning and regional development: analysis of international economic and cooperation relations, European Union-Latin America (**UDG**)

Economic and financial engineering (**ULSA**)

Economics: companies, finances and innovation, economic history (**UAM-AZ**)

Foreign commerce (**UMSNH**)

International business (**UIA**)

Organization development (**UGTO**)

Organization studies (**UAM- IZT**)

Personnel administration (**UGTO**)

Quality engineering (**UIA**)

Taxes, finances (**IPN**)
